The Deputy Inspectors of Vaccination of the Kolar, Tumkur, Shimoga and Chitaldrug Districts are each allowed a house rent of Rs 1-8-0 per mensem for holding their offices in a portion of their dwelling houses.

In his applⁿ dated the 27th February 1902, to the Senior Surgeon, the Dy Inspector of Vaccn, French Rocks Sub Dvn, requests that because house-rent is allowed to the above Dy Inspectors, he may also be given the same house rent of Rs 1-8-0 a month for holding his office in a portion of his house for which he pays a monthly rent of Rs: 3/

In supporting the applⁿ made, the Senior Surgeon reports after

~~that~~ 2/

after Consulting the Sub Dy Officer, French Rocks, that there is no room available in any of the Govt buildings at French Rocks for the Office of the Dy Inspector.

If approved, an enquiry as in the draft may be made.

22/4/02

I think the proposal may be sanctioned in hand keeping the enquiry. In the case of the Dy Insp[r] of Vaccination, Kolar Dist (Shy 15 per pte), the house-rent was Rs 3 per mensem & the Govt sanctioned the payment of Rs 1-8. as rent for the portion used as Office

I do not see why an Officer who has no clerk and who has to be mostly travelling shd be given house rent merely because he keeps perhaps a box-ful of papers with him. There are precedents but unless forty wds add to the pay of all Dy Vaccinators for house rent, this appn shd be declined & the house rent for those who get now shd also be (if possible) withdrawn.

In reply to the enquiry made in this Office docket No 17478 Mis 713-1901 dated the 30th April 1902, the Senior Surgeon in his letter No 1881 of the 14th instant reports that although the Dy Inspectors

Inspectors have no clerical establishment attached to them, yet it is essential that they should have a separate place for holding their Office, inasmuch as they have to do all the clerical workenu-merated in the letter, themselves and gives it as his opinion that the house rent of Rs 1-8- a month claimed by the Deputy Inspector at French Rocks should be granted and that the rent already sanctioned to the other Dy Inspectors should be Continued

Sir

In reply to your No. 17478 G.T. 13-1901
dated 30th ultimo, I have the
honor to inform that though
there is no clerical Establishment
attached to the Deputy Inspectors
of Vaccination, yet it is
Essential that they should
have a separate place for
holding their office in as

much as they have to do all the clerical work themselves such as keeping correspondence with the Vaccinators, Aimdars Deputy Commissioners and this office, besides maintaining registers and diaries and filing records.

I would certainly not recommend any house rent for these provided there was a Government building available for the purpose but since it is not so I am of opinion that the house rent claimed by the Deputy Inspector in the case under reference should be granted and that already sanctioned to other Deputy Inspectors continued.—
